Dear Mr. Roach:

This is to confirm that the Middle States Commissions on Elementary and Secondary Schools has received, reviewed and accepted the Mid-Term Report completed for American International School of Freetown. The report was found to be complete and shows evidence of faithful implementation of the strategic plan for growth and improvement.

You, your Board and entire team at AISF exemplify agility while remaining steadfast to your mission and are to be commended for your thoughtful strategic plans, implementation of those plans while following all safety protocols. A further commendation of your strategic financial support of families while also remaining financially strong throughout these uncertain times is noted. And, the collection, analysis and use of data to make decisions is a hallmark of excellence and you are to be commended on your work as your report follows this progression.

You are expected to continue to conduct and maintain Periodic Reviews of the progress on your goals. It is not required that these Periodic Reviews be submitted to Middle States, but they do assure continuing assessment of your progress on your goals.

Your school is accredited until May 1, 2025. We will contact you in the spring of 2023 to initiate the reaccreditation process. Please do not hesitate to contact me if I can assist you in any way at pfeir@msa-cess.org or 917-207-8968. Best wishes as you continue to provide your students with every opportunity to realize their potential.

Sincerely,

A handwritten signature in blue ink that reads 'Priscilla L. Feir'.
