Tuition Payments

AISF has two options by which school fees can be paid.

- **Option 1:** School Tuition and fees must be paid in full in one single payment at the beginning of the academic year (for which a **discount of 5%** is applied). To receive the **5% discount**, payment be received and documented by proof of payment **prior to September 1, 2021.**
- **Option 2:** School Tuition can be paid in advance for each trimester prior to the beginning of the term. (Note that fees are due with the first payment.) Payment must be received by the school, documented by proof of payment prior to the child attending class that term. Due dates for SY 2021-22 by trimester payments are:

Trimester	Date
Trimester One	September 10
Trimester Two	December 3
Trimester Three	March 25

*Fees are due for an entire term if a student attends any day within the term. In cases where a student enrolls part way through the school year, the term payment schedule (above) automatically applies

* A discount of two hundred and seventy-five US dollars (\$275.00) per term is also offered for the third child and for the fourth and all subsequent children enrolled simultaneously at the school a discount of three hundred and twenty-five dollars (\$325.00) will be applied. This discount is offered to all eligible families regardless of whether the fees are being paid by the individual or the employer.

Registration Fee

If they choose, parents can reserve a place in the school for their children by paying an annual, per-student, non-refundable Registration Fee of \$300.00. The fee is deductible from tuition. This fee is non-refundable.

Tuition Refunds for Full Year Payment

In cases where a full year's tuition payment has been made and early withdrawal becomes necessary, a partial tuition refund may be made upon receipt of a written request. In cases where the full year's tuition payment has been made at the beginning of the school year refunds will be as follows:

- Two trimesters attended + one trimester not attended = 20% of annual tuition refunded.
- One trimester attended + two trimesters not attended 40% of annual tuition refunded

Note: Attendance in any part of one trimester shall be construed as attendance of the entire trimester insofar as payment of tuition is concerned.
